

Slow Food for All Seasons: Potluck & Annual Meeting
Sunday, January 29, 4 pm

Are you passionate about food that is healthy, delicious, and good for the planet? Do you appreciate the joy that comes from joining with others for a convivial meal? Please join us for a tasty potluck meal and conversation about what lies ahead for Slow Food Corvallis as we promote a food system that is "good, clean and fair for all." Events that grew out of last year's meeting included a sold-out cooking lesson called "Cook With What You Have" and a very popular educational talk and tasting of cheese and wine called "Terroir: Food from *Somewhere*."

The theme this year is Slow Food for All Seasons and you're invited to bring your favorite seasonal dish. Tired of Winter? Bring a little Spring, Summer or Fall. Please label your dish with the season it represents as well as the ingredients. We'll also have a brief overview of last year and a short brainstorming session about events that YOU would like to see us plan this year. In accordance with our bylaws, we will hold an election for new or returning Board Members. To vote, one must be a member of Slow Food USA (<http://www.slowfoodusa.org/membership>), but everyone is welcome and encouraged to attend. We will end promptly at 6 pm.
